On a personal note ... (over)

As a TaeKwon-Do family we have the joy of sharing in celebration. It has been fun to watch students eyes light up as they receive their new belt and new rank in TaeKwon-Do. On May 3rd this past spring we were so honored and thankful to celebrate GMK's promotion to 9th Degree Black-Belt. Eyes lit up and teared up. Thank you to our wonderful students who participated in the day and demonstrations. Thank you to our wonderful Black-Belts who worked so diligently throughout the day. Thank you to our wonderful parents who helped us with such enthusiasm and efficiency. Thank you to the more than 1000 fans who encouraged and supported us. You are all special.

As our TaeKwon-Do family, we've also been touched by the support we've felt through personal struggles, especially this past summer as my sister Pam Bergh died on July 23rd after a valiant 5 year battle with cancer.

Scott and I were very involved with her care spending a lot of time in Cochrane, Alberta. What an honor and privilege to nurse Pam in her house, sharing her final moments together. The Bergh home was filled with family, music, much humor, faith and an abundance of love. When you know you will soon meet Jesus, death holds no fear. Pam was joyful, ready and filled with song and prayer. She constantly lifted us all with her beautiful spirit. What could be considered a tragedy is actually a story of victory and joy. Pam has a new life and a healthy body in heaven and we are so happy for her. We celebrated her life in a service of Praise & Thanksgiving on July 26th. People who entered the church sad and hurt were transformed by the message of hope delivered by the Pastor, Pam's husband Rick. Over 400 arrived sad but left the church at peace and renewed in their faith as we joined together on the church lawn for a huge bar-b-que. Pam loved a good church picnic !

We hold close Pam's husband Rick and their four children as we give thanks for a beautiful life that reflected God's grace and love.

Yours Truly,

Carol Ann Kopperud
